

Rights & Permissions

ALife Robotics Corporation Ltd. (AROB) has over 500 titles in print, many of which are available for licensing. Find out more about how to license our products on these pages.

RIGHTS

A rights licence is needed if you want to reproduce an entire AROB work. Please go to the [Rights](#) pages if you wish to acquire the right to do any of the following:

- Reprint in English
- Translate a work
- Create an audio or video version for broadcast
- Create an electronic reproduction

PERMISSIONS LICENCES

A permissions licence is needed if you wish to reproduce an extract from a AROB work. Please go to the [Permissions](#) pages if you wish to:

- Reproduce or translate single chapters, proceedings articles, text extracts, figures from AROB copyright works
- Reproduce or translate audio extracts in printed, recorded or electronic format
- Request networking, educational photocopying and performances of AROB material
- Reproduce a AROB work for the reading impaired
