Dear Masanori,

I am glad to get to know you. We are covering your title from 2020. We have indexed 2020,21,22 and 23 issues on Scopus already.

To continue the indexation further we need official permission from you, since the permission has expired.

I will be sending you the permission form and URL to select content delivery method. Please check for email from e-signature platform CongaSign and sign the form, select content delivery method.

Kind regards,
Ela
