Plenary Speaker: Professor Chung-Wen Hung (National Yunlin University of Science and Technology, Yunlin, Taiwan)

Title: From Coffee Scent, Heartbeat spent to Faith intent — Applications and Challenges in Edge AI

Chung-Wen Hung, Professor, National Yunlin University of Science and Technology (YunTech), Taiwan

Education: Ph.D. in Electrical Engineering: National Taiwan University (2006).

Employment: He is a member of the Intelligent Recognition Industry Service (IRIS Center) at YunTech; and leads the Advanced Purpose Integrated Circuits and Systems Design (APICS) Laboratory of Electrical Engineering department. He also serves as the Director of the Advanced Instrumentation Center at the university. His specialties include Artificial Intelligence (AI) Applications, Internet of Things (IoT), Digital System Design, and Measurement Signal Processing. Before to be a University Faculty, he worked in industrial fields about 17 years, including Renesas, Acer, and ITRI.
