Dear Authors

I'm seeing a coronavirus infection, but I still don't know. Instead, it collects abstracts and prepares papers and publishes The Proceedings of ICAROB2023. The reason is that foreign countries prohibits travel. I would like to ask you to organize one or two proposed sessions (5-6 papers in each session) for ICAROB2023, The 2023 International Conference on Artificial Life and Robotics (AROB 28th Anniversary Commemorative Meeting) will be held on line in Oita, in Japan (It will be announced at URL: <https://alife-robotics.co.jp/>). Please submit your proposal for PS, OS, GS, POS, TS abstracts **asap until November 25, 2022** for review & papers **asap until December 15, 2022** & email to [icarob@alife-robotics.co.jp](mailto:icarob@alife-robotics.co.jp). Also, please indicate the names of the two persons as chair and co-chair of each session. Thank you very much. I look forward to waiting only for papers to the 2023 International Conference on Artificial Life and Robotics, ICAROB2023). (Website:<https://alife-robotics.co.jp/>)
