Dear Sir/Madam:

I'm watching the coronavirus infection, but I still don't understand. Instead, collect the papers and publish the ICAROB2021 proceedings. The reason is that foreign countries prohibit travel. I would like to ask you to organize one or two proposed sessions (5-6 papers for each session) for ICAROB2021, namely, The 2021 International Conference on Artificial Life and Robotics (26th AROB Anniversary), which will be held at January 21-24, 2021. Please send your proposition via E-mail ([icarob@alife-robotics.co.jp](mailto:icarob@alife-robotics.co.jp)) by November 25, 2020. Also, please recommend the names of two professors as a chairman and a co-chairman for each session. Thank you very much for your kind cooperation.

We are look forward to waiting for papers only The 2021 International Conference on Artificial Life and Robotics (ICAROB2021) (Web: <https://alife-robotics.co.jp/>)
